

CineMed Videos

INTENDED AUDIENCE

Clinical Education Leadership Council and Perioperative NPDS's

WHAT IS THE CHANGE?

The Providence Nursing Institute and the Clinical Education Leadership Council have collaborated to provide broad access¹ to the CineMed Online Perioperative Education video library. Please follow the instructions below to take advantage of this educational resource.

TO ACCESS THE CineMed VIDEO LIBRARY

Within a Providence ministry (preferred):

1. <https://cine-med.com/aornonline/>

If a caregiver has trouble accessing from *inside* Providence:

1. Got to - <https://www.whatismyip.com/>
2. Record the listed IP address
3. Send that information to Seth Borg at Borg@cine-med.net, cc'ing Charles.Perkins@Providence.org
4. Access for that workstation will be granted in 1-2 business days

Using a Providence computer with VPN / remote Access

1. Access Citrix by clicking on this link: <https://citrixapps.providence.org/logon/LogonPoint/tmindex.html>
2. Log in to Citrix using your Email Address (*not user ID*) and Password
3. Launch Chrome
4. A download window will appear with a long file name with an "open file" hyperlink.
5. Click on the "open file" hyperlink
6. Chrome will launch a separate Incognito window
7. Paste this link into the Chrome Incognito address bar:
<https://cine-med.com/aornonline/>
